EXCELLENCE 25 YEARS GOING STRONG

2026 Programmes and Scholarships for International Students

We are excited to welcome international students to Future Skills. Scholarships are available for our 2026 intakes, offering support for students who are ready to start their journey in New Zealand as we proudly celebrate 25 years of empowering learners through education.

25th Jubilee Scholarships

- → $5,800 off the Master of Applied Management
- → $3,500 off the Postgraduate Diploma in Applied Management
- → $13,500 off the Bachelor of Applied Management ($4,500 per year)
- → $4,500 off the Graduate Diploma in Applied Management
- → $15,000 off the Bachelor of Construction ($5,000 per year)
- → $10,000 off the New Zealand Diploma in Construction ($5,000 per year)
- → $8,500 off the Master of AI Integrated IT Solutions
- → $3,500 off the Postgraduate Diploma in AI Integrated IT Solutions

Diversity Scholarships

Future Skills is pleased to introduce the Diversity Scholarship, valued at $1,500, for students from selected markets enrolling in 2026 intakes, helping to support diversity across our student body.

Students from the following markets are eligible for an extra $1,500 off their first year of study. This is in addition to the 25th Jubilee Scholarships. As the Master of AI Integrated IT Solutions Level 9 already has a higher Jubilee Scholarship, the additional $1,500 does not apply.

- → Latin America
- → Russia and CIS
- → Europe
- → Thailand
- → Cambodia
- → Indonesia
- → Iran
- → Tonga
- → New Caledonia
- → Papua New Guinea
